

CALSHOT ACA BURSARY APPLICATION FOR CALSHOT ACTIVITIES CENTRE COURSES OR SERVICES

WHO WE ARE

Calshot Activities Centre Association is the representative body for site users, be they individuals, clubs or other groups using the facilities at Calshot Activities Centre. The Association raises funds for specific projects at the Centre as well as supporting requests for help from the clubs where possible. We do this through our membership fees to help deliver new projects and to support the existing provision of the Centre's many exciting and challenging activities.

HOW WE FUND OUR BURSARIES

We are able to set aside limited funding annually from our membership fees to enable us to operate a small bursary scheme to support local disadvantaged children. In addition we are fortunate enough to receive some donations to the fund for which we are very grateful. We recognise that young people learn in different ways and that the skills needed to thrive in adulthood are not always acquired within the formal education system.

ABOUT OUR YOUTH BURSARY SCHEME

The scheme, as agreed by the Association Council, is to support local children in need who could benefit from the amazing facilities that the Centre has to offer. We can fund up to £150.00 per application or half the cost of the course whichever is lower.

In the main, the bursaries are awarded for local children under the age of 18 years within the South Waterside area of Southampton but we have discretionary powers for exceptional cases to be considered from outside the area.

Although you may think your group or young person on whose behalf you are applying doesn't necessarily fit into the normal definitions of 'disadvantaged' you may well be still eligible for help.

GUIDANCE AND ADVICE

You are welcome to add any supporting information you wish.

Remember any funds allocated are solely for the accommodation/activities/courses/training and are not meant for other expenses including travel to and from the venue, so please don't ask for these.
